MSU D2L	D2L Help Home	Logout		
Please be advised: Effective December 20, 2023, the Self-Enrollment tool will no longer support Development courses due to Development Courses will no longer appear in the list of Available Courses on the Self-Enrollment tool, excluding the following	o updates in the D2L LMS. As g exception:	a result,		
If a Development course was created prior to December 20, 2023, and the self-enrollment option was already enabled,	• If a Development course was created prior to December 20, 2023, and the self-enrollment option was already enabled, it will maintain this functionality until July 1st, 2024.			
Effective July 1st, 2024 the self-enrollment option will be permanently disabled for all Development courses. No Exceptions.				
Furthermore, if a course administrator chooses to disable the self-enroll feature for any Development course in which it is currently enabled, the self-enrollment option will be permanently revoked and cannot be restored.				
For more information on the course types that can be created in D2L, we invite you to visit our help pages. On this page, you'll find information showcasing the new options and their associated features.
